four¹⁵ groups

Four-15 is a one hour approach to exploring scripture with others, using simple guidelines that allow you to study individually and then discuss each other's insights. It is comprised of the following four 15-minute segments:

relate

Catch up on what's going on in each other's lives.

read

Silently read the sections of scripture listed for the day starting on page three.

record

Journal your thoughts and prayers using SOAP/TALK methods outlined on the next page.

reflect

Discuss your journal entry. Make sure everyone gets a chance to share.

three²⁰ groups

Three-20 is a one hour approach to exploring scripture with others, using simple guidelines that allow you to study individually and then discuss each other's insights. It is comprised of the following three 20-minute segments:

relate

Catch up on what's going on in each other's lives.

read

Silently read the sections of scripture listed for the day starting on page three.

reflect

Discuss your thoughts on what you read. Make sure everyone gets a chance to share.

SOAP JOURNALING METHOD

Journaling is an excellent way to both record and process what God has spoken to us. It's also a useful tool to use at a later time, to reflect on and review some of the "gems" that you have written.

SCRIPTURE: Choose one verse and write it out. Ask God to point out one text in particular as you read. Write it down at the top of your entry for that day. By the end of the year, you will have 365 entries written down and in your heart!

OBSERVATION: What does it say? Ponder its meaning, its tone, its purpose. Make an observation of who's affected and what's taking place.

APPLICATION: How does it apply to me? Write how you plan to put into practice the verse that has just been brought to your attention. Application makes the difference between hearing and doing His will.

PRAYER: Write a prayer asking God to help apply to your life what you've just learned.

USING THE "TALK" ACRONYM

Continue in prayer with these helpful focus points.

THANK Him for who He is, what He has done and for the power of His Word. **Tell Him what's on your heart.**

ASK God to meet your needs. Ask God to meet the needs of others. Ask God to help you live out the Scriptures. This is the place to go through your daily prayer list.

LISTEN waiting quietly on God.

KNEEL before your Lord and say, "Not my will, but Your will be done."

Return to the top of your entry and give it some descriptive title so when you flip through your journal you will remember it.

Each church member is encouraged to systematically read through their Bible and journal as they go. SOAP is a simple Bible journaling method as TALK is an easy prayer process. The SOAP technique was developed by Wayne Cordeiro.
