

Adventure (US)

Moving relationships from monotonous to adventurous.

One of the ways we grow our trust in God is by taking values and principles from the Bible and applying them to our lives. As we trust who God says we are, it changes how we view and interact with each other. From Mother's Day to Father's Day we are going to look at how the Bible teaches us to find more life in our families, marriages, friendships and other relationships.

ADVENTUROUS – willing to take risks or to try out new methods, ideas, or experiences.

MONOTONOUS – dull, tedious, and repetitious; lacking in variety and interest.

As I pour _____ into you; _____ pours into me.

The **GENEROUS** will **PROSPER**; those who **refresh others** will themselves **be refreshed**.
